**Prepare in advance – Think about your answers to these questions and bring those thoughts.**

- Are we effectively carrying the message? In home group? At District?
- Do we feel that we are honoring our primary purpose?
- How are we feeling about our participation at District meetings?
- What are your homegroup challenges?
- What are committee challenges?
- How can The District help?
- Where do we need to focus?
- How can we “get into action” ourselves?
